WHAT YOUR CAPITAL ACQUIRES

- I

The domain — a path to owning it outright

A structured, seller-financed buyout of NewYork.com at a 70.4% discount to market value — the asset, on the way to being owned in full.
- II

The live website

Already drawing 30,000–40,000 visitors a month with virtually zero paid acquisition.
- III

Every partnership

Live revenue-share relationships across sports, theater, ticketing, and experiences.
- IV

The entire team

The full marketing and development team already building it — 10+ years of revenue execution.
